

Kitchen Wizards

(a division of Kathy's Just Desserts, Inc.)

Kitchen Wizards is happy to offer another of our culinary enrichment sessions at Holy Family School. Once again, Mrs. DeNicola will be the Kitchen Wizards instructor. Our programs are fun, tasty, and educational. Children will learn an important life skill, and they begin to connect what they're learning in school to "real life" situations. **This program is limited to 16 participants, so register early!**

Did you know that we donate a part of the proceeds from our Kitchen Wizards program to your school?

Breakfast...ANYtime!

In this **4-week** program, children will prepare many types of recipes that are nice additions to any breakfast or brunch menu. They'll prepare mini-quiches, fruit/yogurt parfaits, scones, muffins, and doughnuts. These recipes can be added to your menu at any time of the day. Copies of recipes and samples to bring home or eat at class. Participants will get hands-on practice! Aprons are recommended. Please send a beverage for your children to drink during this series, being held from **Dismissal-4:15 on Wednesdays.**
