Dear Parents:

I want to thank you for all you do for Holy Family School and for your support of Catholic education. In the short time I have served as your principal, I have been so very impressed with the vitality and support of this school community. I am grateful that you have chosen Holy Family School for your children! It is now time to prepare for the next school year, and to that end, we are opening registration for the 2018-2019 school year to our current families.

Please know that we work diligently to ensure that tuition increases are kept to a minimum. We take seriously our responsibility to be good stewards of the school's finances. After prayerful discernment and bearing in mind the financial burden that comes with the sacrifice of a Catholic school education, the Holy Family School Finance Committee recommended a \$125 increase in the tuition rate for Preschool, PreKindergarten and 1st through 8th Grades. Kindergarten tuition will remain the same. The registration fee and CARES fees also remain the same.

The tuition and fee rate schedule for 2018-2019 can be found on our website or by clicking [here](#). These rates do not reflect the true/actual cost of education. Our parishes and the financial support of the Annual Fund also contribute to the financial well-being of our school.

We ask that all families please respond as soon as possible so that we may accurately predict enrollment for next year and effectively plan for staffing and programming needs. We are asking that all current families re-register by **Friday, February 23rd**. There is a non-refundable re-registration fee of **\$150.00 for the first child** and **\$50.00 for each additional child**. Please note your registration is not complete until payment is received.

For your convenience, re-registration and the registration payment can both be completed online. Click [here](#). If you would prefer a paper registration, please contact the office.

Sincerely,

Thomas P. Dever, Jr.
Principal
