Happy New Year!

I hope everyone had a good first week back, and I hope that you all enjoyed Christmas break and New Years with your family and friends. This week has been a busy one as the teachers and students jumped right back into learning. I've enjoyed seeing all of the students, and I've even heard about some of their special Christmas gifts and adventures over the break!

This month is filled with exciting things coming up, like the MLK Day of Service and Catholic Schools Week. Read on for more information, and keep an eye out for information in upcoming Principal's Postings on Continuous Enrollment for the 2024-2025 school year, as well as a Kindergarten information session for our PreK families.
